NICE Foundation Inviting Application for National Scholarship Exam - 2023

We NICE Foundation has been conducting National Scholarship Exams across the country for the past 9 years. In which students from Std. 5th To 12th and Degree / Diploma Students can participate from any board and university. The NSE Examination is based on a Multiple Choice Questions pattern which will help students to be more practice & careful while attempting the questions. The questions and the marking scheme are designed in such a way that a student can develop subject knowledge, decision making ability and reasoning power.

NATIONAL SCHOLARSHIP EXAMINATION is not only an important platform to identify and nurture the talented student but also help in pinpointing areas of strength and weakness in every Student. The NICE Foundation has taken up an important task of searching for young talents through the Scholarship Exam. This is a self assessment event indicating your readiness to take up new challenges in the education sector and many other spheres. So participate in the National Scholarship Exam and discover yourself.
